We are aligning ourselves closer to our sister house's policy on Iona, Bishop's House. Therefore, new group deposit requirements will be (1) a non-returnable deposit of £500 to secure the booking (2) half the final account due 6 months prior to arrival (3) a further 25% 3 months before (4) Final bill and adjustments on day of departure. This is due to late cancellations/no shows over previous years.

Special Diets - vegetarian and vegan diets and those that are required for medical reasons only (Allergies and Intolerances) can be catered for and should be advised when booking. We are unable to provide for diet preferences.

There are three types of booking: Exclusive, group and individual. Exclusive grants use of the entire college regardless of their number (no other guests will be able to book). Please contact the manager for the Exclusive only tariff rate.

A dinner option may be available to B&B guests (subject to a minimum of 6 paying guests). Please ask the manager when booking.

Bed only rates also available on request.
